GERIATRICS ON-LINE COURSE

GENERAL INFORMATION

FORMAT

There are two components to the course:

Manual: comprising 29 Chapters written by Hunter Area Health workers. Most of the chapters can be read in 15-20 minutes. Similar material is rarely found in other resources, but is here available in one concise resource.

Test Questions: After reading through each chapter, registrants absorption is tested with a series of 8-10 "Test Questions" which are listed at the end of **most** chapters. Each can be done quickly, answered in a True/False format. The answers to these questions can be found within the text of the chapter and they are designed to focus attention on the main points of practical significance. It will be necessary to complete the Online Exam questions.

THERE IS A PASS MARK OF 80%. TEST QUESTIONS ARE AUTOMATICALLY MARKED AND RESULT EMAILED DIRECTLY TO HPMI
