

THE IDC BUILDING ENTRANCE IS LOCATED BETWEEN THE ROUND-A-BOUT AND TRAFFIC LIGHTS ENTRANCES. It has its own separate entrance off University Drive but is accessible only from the Campus side of University Drive. DO NOT ENTER THE UNIVERSITY VIA THE ROUND-A-BOUT OR TRAFFIC LIGHTS. *If you are coming from Waratah/Mayfield direction, you will need to make a U-turn at the round-a-bout to remain on University Drive and access the entrance.*

Turn left into the driveway after the pedestrian crossing lights then turn left along the front of the building to access parking. All entrances to the building will lead you to the foyer for Registration.

Parking is free after 5.30pm on weekdays and anytime over the weekend. You do not need a permit.
