Stay Ahead in Medicine – One Day, Countless Insights!

Join us for a dynamic day of clinical updates, expert insights, and practical knowledge tailored for GPs, specialists, nurses and allied health professionals. This is your opportunity to sharpen your skills, connect with peers, and explore the future of healthcare.

We are honoured to welcome Dr Norman Swan as our Plenary Speaker, whose insights will set the tone for a dynamic and informative day.

Norman will present on **Is AI The Death or Rebirth of General Practice?**

DR NORMAN SWAN
