

TRIAGE FOR GENERAL PRACTICE

Date	Wednesday, 30 July 2025
Presenter	Simon Gould, Principal Lecturer, Medics for Life
Venue	The Council Room, University of Newcastle, Callaghan
Time	6.30 pm – 9.30 pm
Cost	HPMI Members \$77.00 HPMI Non-Members \$150.00

- ✓ 6 Category 2 CPD Points
- ✓ Training from an expert in triage systems and processes
- ✓ Developed to benefit GPs, Practice Nurses and Practice Staff
- ✓ Resource pack available for participants
- ✓ Covers the RACGP standards on triage, identifying high-risk patients, implementing practice policies and systems, techniques of triage and medico-legal issues

Learning Outcomes

On completion of this activity, participants will be able to

- ✓ Implement a triage system in a general practice to mitigate risk in relation to the allocation of patient appointments, that complies with RACGP practice standards.
- ✓ Safely and appropriately implement triage skills in general practice, including those relating to telephone calls, procedures in the waiting room and interaction with the general practice team.
- ✓ Use triage tools and guidelines to recognise and prioritise patients in the waiting room.
- ✓ Document triage interactions, including advice received from other staff members.
