

Ear Pathology and Wax Management

Practical skills + online learning = full certification

Date:	Monday, 26 October 2026
Time:	6.30 pm – 8.30 pm
Venue:	Brunker Road General Practice
Facilitator:	Dr Milton Sales

Join us for a practical and interactive session focused on the safe management of earwax and recognition of common ear pathologies.

How it works

- Attend the practical session
- Be signed off as competent
- Complete the online module and EVQ
- Receive your Certificate of Completion

Learning outcomes

- Recognise ear anatomy
- Identify common ear pathologies
- Assess risks and methods for wax removal
- Safely perform ear irrigation
- Communicate risks and procedures clearly
- Document procedures appropriately

Course fees

HPMI members - \$77

Non-members - \$150
