

BELMONT CLUSTER MEETING

Free in-practice education session for health professionals,
including CPD.

Date:	Tuesday, 25 August 2026
Topic:	Cervical Radiculopathy and Neck Pain: Assessment and Management in General Practice
Speaker:	Dr Sophia Roser, Neurosurgeon
Venue:	Jewells Medical Centre (Ntaba Road, Jewells)
Time:	8.00 am – 9.00 am

What you will learn

- Identify the clinical features of cervical radiculopathy and other common causes of neck pain and apply an evidence-based approach to assessment and diagnosis in primary care.
- Develop management plans for patients with cervical radiculopathy and neck pain, including conservative treatment options, appropriate investigations, and indications for specialist referral.
