

SWANSEA CLUSTER MEETING

Free in-practice education session for health professionals,
including CPD.

Date:	Tuesday, 1 September 2026
Topic:	Puberty Disorders in Childhood: Recognition, Evaluation and Management
Speaker:	Dr Komal Vora, <i>Paediatric Endocrinologist, John Hunter Children's Hospital/The Newcastle Paediatric Clinic</i>
Venue:	Swansea Channel Doctors (Suite 4 / 2 Belmont Street, Swansea)
Time:	7.45 am – 8.45 am

What you will learn

- Identify the clinical features and assessment findings suggestive of precocious puberty and differentiate these from normal variations in pubertal development.
- Apply an evidence-based approach to the investigation, initial management and timely referral of children presenting with suspected precocious puberty.
