

HAMILTON CLUSTER MEETING

Free in-practice education session for health professionals,
including CPD.

Date:	Thursday, 24 September 2026
Topic:	From GLP-1 Therapies to Insulin Initiation: Practical Diabetes Management in General Practice
Speaker:	Dr Claire Morbey, Endocrinologist, Hunter Diabetes Centre
Venue:	Hamilton Doctors (60 Lindsay Street, Hamilton)
Time:	1.00 pm – 2.00 pm

What you will learn

- Identify when insulin initiation should be considered in patients with type 2 diabetes and apply practical approaches to commencing insulin therapy in general practice
- Review the evolving role of GLP-1 receptor agonists and emerging therapies, including current research developments and their place alongside insulin treatment.
