

BELMONT CLUSTER MEETING

Free in-practice education session for health professionals,
including CPD.

Date:	Tuesday, 27 October 2026
Topic:	Evolving Landscape of Hormone Treatment in Breast Cancer
Speaker:	Dr Howard Chan, Staff Specialist Medical Oncology and Director of Physician Training
Venue:	Jewells Medical Centre (Ntaba Road, Jewells)
Time:	8.00 am – 9.00 am

What you will learn

- Understand current evidence and evolving approaches to hormone replacement therapy and anti-oestrogen treatments in patients with breast cancer, including the impact on treatment decisions and survivorship care
- Apply a practical approach to the ongoing management and monitoring of patients receiving hormone-based therapies for breast cancer, recognising common adverse effects and indications for specialist referral
